MUST FROM TRIOLET

“A little ride and memories forever...”

The itinerary defined from the base of Triolet includes flying over the landscapes of the North and the islets. Admire the swarming daily life in Grand-Baie from the sky and the alignment of the boats near the golden sand

Then, you will fly over the Coin de Mire that reigns over the North Shore. You will approach the village of Cap Malheureux, a few minutes later, where you can admire the chapel with the red roof near the beach. The clear blue lagoon will let you admire the vibrant aquatic life. Each site you fly over has its own bit of history. Our pilot will be more than pleased to share all the local legends with you

Continue your flight over the magnificent Ambre Island, where the famous ship Saint-Géran had wrecked and which was the setting for Paul and Virginie by the famous writer Bernardin de Saint-Pierre. Although these two characters are fictitious, there are many locals who believe the couple really existed. Some still say that the souls of the two lovers can be seen ascending to heaven at sunset!

You will end this beautiful flight with a spectacular view of Labourdonnais, with the freshness of greenery, before landing at our base in Triolet. Do not miss the opportunity to click some beautiful pictures during your overflight. Our panoramic helicopters guarantee you a great view!

MAGIC FROM TRIOLET

“For memories filled with magic...”

Seen from the sky, the city of Port-Louis is a beautiful sight with its daily routine. The sixteen silos of the Moulin de la Concorde and the ships landing in the capital already mark the beginning of a beautiful adventure. Alternating between the green spaces and the lagoon, your flight will continue to Ile aux Bénitiers. Don't forget to keep your eye on the Albion lighthouse! If you're wondering about this majestic mountain that nests the tropicbirds, it's Le Morne Brabant!

The Underwater Waterfall will soon attract your attention and after all those shades of blue-green, admire the kaleidoscope of colours in the lands of Chamarel. Further on, the Black River Gorges reveal the heart of nature and the Tamarind Waterfalls are fine curtains hiding an endemic forest

Then you will approach Le Pieter Both which goes by the famous legend of a man who broke a pact with angels and was later transformed into a mountain! If you haven't had the chance to climb Le Pouce, Corail Hélicoptères will delight you by ending your trip with a superb overflight!
